C++
Python

EDUCATION:

Architectural Association School of Architecture MArch Architecture RIBA Part 2 (Honor Nomination)	09/2024 – 06/2026
Architectural Association School of Architecture BA (Hons) Architecture RIBA Part 1	09/2020 – 06/2023
Academy of Arts & Design, Tsinghua University BA Sculpture	07/2014 – 07/2018

WORK EXPERIENCE:

Foster + Partners Over 14 months at Foster + Partners as a Part 1 Architectural Assistant in Studio 1, I developed strong experience in Revit-based modelling, drawing package production and project information coordination across medium- and large-scale projects. I became proficient in Revit within my first two months, adapting quickly to complex project workflows and contributing across competition, planning and RIBA Stages 2–3 through architectural documentation, design coordination and visualisation.	07/2023 – 08/2024
Amateurist Studio As a co-founder and core designer of Amateurist Studio, I led the design and delivery of a concert stage for YEANA, a Tibetan band from Yunnan, China. I also developed a peaked cap design in collaboration with Cream Project.	07/2022 – 03/2025
Changchun Lily Decoration Worked as a Design Assistant at Changchun Lily Decoration Co., Ltd., an interior design company based in Changchun, China.	06/2017 – 08/2017

SCHOLARSHIPS:

AA Scholarship Awarded an Architectural Association scholarship for academic excellence in the Diploma Programme.	08/2024
Travel Bursary Awarded a Travel Bursary by the Architectural Association during the third year of my undergraduate studies.	01/2023

AWARDS & SELECTED WORK:

Film Selection <i>Light Up New York for But a Moment</i> , selected for PANIC: Ars Electronica Animation Festival 2025 , and <i>Animation Festival on Tour 2026</i> .	09/2025
Award of Merit <i>Digital Art Exhibition, Academy of Arts & Design, Tsinghua University.</i>	04/2019
